

Benefits of having a monthly facial service for Men and Women:

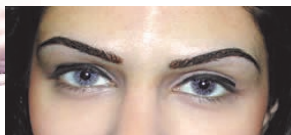

- Stimulation of new collagen through cell renewal
- Hydration and nourishment of the skin
- Oxygenation and blood circulation are increased to facial muscles
- Relaxation of tight over-used facial muscles that cause deep lines
- Restoration of your skin's health
- Re-emerging of your skin cells, resulting in a glowing complexion

Our modern state of the arts facility boasts the latest in technologies and methodologies. With 4 different Laser machines : **Candela GentleLASE** and **GentleYAG lasers** , **Lumenis Lightsheer** and **Lumenis Quantum** lasers all hair and skin types can be treated with the right laser for you.

Get the smooth skin you dream of... LASER and IPL SKIN TREATMENTS

These treatments can visibly reduce or eliminate : rosacea, fine wrinkles, brown age spots, blood vessels from the face, legs or other location, facial flushing and facial redness. They will also help improve the appearance of sun-damaged and tanning parlor-damaged skin, achieve smoother skin and smaller pore size, and reduce skin darkening that some people develop on the face & neck.

Please come in for a **FREE consultation** and discuss your needs with one of our experienced staff members, so together, you can create a plan that works for you and your skin. Don't forget to ask about our **Special Skin Care Packages.**
